

EFCL
Green Leagues

Potential Nature Initiatives

Organizational

	<i>EFCL Resources</i>	<i>City Resources</i>	<i>Other Resources</i>
Utilize xeriscaping or native plant gardens			- Edmonton Native Plant Society
Install a local air quality monitor (can be installed in conjunction with a zero-idling campaign)	- The Energy Transition Officer can connect you with another community league that has done this		
Add bird feeders to hall exterior	- The Energy Transition Officer can connect you with another community league that has done this		
Use green maintenance products (ex. sustainable wood products, low VOC recyclable paints)			- 30% off all paint at Cloverdale Paint (Including eco-paint) with a CL membership

Programs

	<i>EFCL Resources</i>	<i>City Resources</i>	<i>Other Resources</i>
Plant a community garden or food forest			- Sustainable Food Edmonton
Organize zero idling signage and a campaign		- Be Idle Free	- Alberta Capital Airshed

Events

	<i>EFCL Resources</i>	<i>City Resources</i>	<i>Other Resources</i>
Tree planting event		- Root for Trees Edmonton - Guided Tree Planting Program
