

## Potential Water Initiatives

### Organizational

	<i>EFCL Resources</i>	<i>City Resources</i>	<i>Other Resources</i>
Receive a water audit (usually in conjunction with an energy audit)	- <a href="#">Green Leagues offers heavily discounted energy/water audits</a>		
Install rain barrels (best used in conjunction with community gardens)		- <a href="#">Rainwater Harvesting</a>	
Plant rain gardens or install xeriscaping		- <a href="#">Rain Garden in a Box</a>	
Use green cleaning products			- <a href="#">The Good Guide</a>

### Events

	<i>EFCL Resources</i>	<i>City Resources</i>	<i>Other Resources</i>
Creek or river valley clean up		- <a href="#">Capital City Clean Up</a>
