## Instructions to Leagues for ACF/EFCL Group Movie License

### Instructions to Leagues:

This license allows and covers the unlimited **INDOOR FREE OF CHARGE** presentation of movies exclusively represented by ACF within licensed Community Leagues.

- All events must occur within community leagues buildings or locales and be for community league members.
- All events must be free of charge. Advertising must be restricted to community league publicity and must be free of charge. Fundraisers are not covered.
- Only movies listed on [www.acf-film.com](http://www.acf-film.com) and that have been released in BR/DVD are licensed. Movies available on commercial streaming services such as Disney + and Amazon Prime prior to their release in BR/DVD ARE NOT COVERED.
- Your license allows for the unlimited presentation of any and all commercially available movies produced by the studios we represent. (i.e. all movies from Walt Disney Studios).
- Movies shown under this license may be obtained from any legal commercial source, and all legally obtained and available movie formats can be used – please make sure that said movie is available from ACF.
- Complete movie listings can be obtained at [www.acf-film.com](http://www.acf-film.com).
- Outdoor movie events (movies in the park) are not covered and must be licensed separately.

**STREAMING REQUESTS:** As part of this agreement between A.C.F. and the LICENSEE; the LICENSEE, and the establishments it represents, shall have access to A.C.F. 's movie streaming website. All streaming requests should be sent to [support@acf-film.com](mailto:support@acf-film.com) containing the following information.

**Minimum 3 business days prior to when it is needed or there is no guarantee that ACF can accommodate. Leagues can place their requests months ahead if they know the date.**

- Name of community league and contact information.**
- Date of event**
- Title**
- Expected attendance.**

Once said request has been received and processed, a **time sensitive password protected link** shall be sent to the requester.

### **USAGE OF NETFLIX®, AMAZON®, GOOGLE PLAY®, CRAVE TV® AND ITUNES® STREAMING SERVICES**

These types of services are meant for private personal home use only, and cannot usually be used for public performances. The “terms of usage” of these services explicitly prohibit public performances; this applies to all types of movies and programs available on their sites. All accounts with these companies are personal in nature, and cannot usually be extended to 3<sup>rd</sup> party organizations such as educational institutions. Many commercial streaming websites contain movies that are not covered by this license, or available prior to their availability for public performance licenses. Please check our website for additional information.
